**BURNING REQUIREMENTS**

An inspection of the fire site by the Public Health Trustee is required prior to approval of this application. At the time of inspection, the location of the proposed fire must be made evident and a fire hose placed to demonstrate that it will reach to the fire.

Fires must be located at least 20 feet from a vehicle.

Fires must be at least 10 feet from any trees, bushes, structures and fences.

Fires must be completely extinguished by 11:00 p.m. week nights and 11:50 p.m. on Friday and Saturday nights.

Fires must be attended at all times by an adult over the age of 18.

Only dry, wood logs may be used.

No burning may occur if winds are over 15 miles per hour.

A water hose must be kept near the fire at all times.

I have read and agree to the above requirements.
